# Information sheet for 6th semester program course (BA) generic subject selection

This is to inform you that to evaluate and publish results for terminal semester students (6th sem) of general degree courses of U.G level, we have to verify all the students data as shown below: There are total 1046 students who are waiting for their final result. Among all the students we found B.A program course (486 students, follow sl. no.11) candidates have incomplete data. As there is no form fill up provision for them, this verification is going to be very important.
